

I LIKE CHIPS

God made soil to grow potatoes, to make chips.

I Like Chips!

God poured oil in sunflower seeds to deep fry chips.

I Like Chips!

*God made lots and lots of scrummy things to eat to fill my tummy,
(Oh yummy!)*

But these things to eat can't beat a portion of chips.

I like chips and chips and lots of chips

And chips and chips and loads more chips!

God made salt inside the sea to pour on chips.

I Like Chips!

And tomatoes to make sauce to dip my chips.

I Like Chips!

God made lots and lots of scrummy....

God made peas inside their pods to mush in chips.

I Like Chips!

God made fish we catch with rods to fry with chips.

I Like Chips!

God made lots and lots of scrummy....
