

JESUS IS THE ROCK ON WHICH I STAND,  
He won't let me stumble into sinking sand,  
If ever I'm falling, He lifts me up,  
If ever I'm thirsty He fills my cup,  
All powers that shake me stop at His command,  
Jesus is the rock on which I stand.

Jesus is the Captain of my soul,  
I came to him broken and He made me whole,  
If ever I need Him, He's always near,  
If ever I call him, I know he hears,  
My heart will never stop from giving thanks,  
Jesus is the rock on which I stand.

*So I thank You Jesus,  
Yes I thank You Jesus,  
Oh I thank You Jesus,  
For loving and protecting me.  
So I thank You Jesus,  
Yes I thank You Jesus,  
Oh I thank You Jesus,  
For reaching down to set me free.*

Jesus is my fortress, strength and shield,  
He took all my guilt away and now I'm healed,  
So if I stand accused, he's my defence  
I'm facing every trial with confidence.  
My enemies are stopped by His strong hand,  
Jesus is the rock on which I stand.

*So I thank You Jesus....*

I'm standing, unshaken, my heart is glad  
For Jesus is the rock on which I stand.  
I'm standing, unshaken, my heart is glad  
For Jesus is the rock on which I stand,  
Yes, Jesus is the rock on which I stand!
