O give thanks__ to the Lord, With all__ of your heart, For all__ of the love His shown us.
Come let's dance__ and sing, To the Lord__ who brings, Great and won - der - ful Joy. O__
_ give thanks__ to the Lord, O__ re - joice__ and be glad. O__ give thanks__ to the
Lord, O__ be - cause__ He's so good, O__ be - cause__ He's so good.

Let your praises be heard
All over the world
Let everyone taste His goodness.
So from mountains
To far off islands
The air will echo with song.

Shout for joy
Make a joyful noise to the Lord
Who makes the sun shine upon us.
From its rising
Until its setting
His name will always be praised.

There will come a day
Soon, not far away
When our Lord will appear.
He will return to take us home
There before His throne
We'll give thanks to the Lord.
