

## DEEP INSIDE AN EGG

### *VERSE 1*

Deep inside an egg, inside a nest,  
New life is waking.  
In the dark hear "tap, tap, tap"  
Against the shell that's breaking.  
Deep inside a tomb, so dark and cold  
On Easter morning,  
Death is changing into new life  
As the day is dawning.

Tap, tap, tap  
Crack, crack, crack  
Tap, tap, tap  
Crack, crack, crack

### *CHORUS:*

Let's celebrate this new life,  
Jesus gave us new life,  
When He died and rose, He broke  
The power of sin and hell.  
Let's celebrate this new life,  
Jesus gave us new life,  
Now we all can leave behind  
Our cracked empty eggshells.

### *VERSE 2:*

Breaking free from out the shell  
New life has finally woken,  
In the light hear "crack, crack, crack"  
The shell, so tough, is broken.  
In the tomb, the light is shining in  
On Easter morning.  
Christ has risen from the grave  
A brighter day is dawning.

Tap, tap, tap  
Crack, crack, crack  
Tap, tap, tap  
Crack, crack, crack

**CHORUS:**

Let's celebrate...

*Optional narrative:*

LEADER: *So, the mother hen, on seeing the baby chick break free from the egg, and the empty tomb where our Lord's body once lay, was filled with so much awe and wonder that she burst forth into poetic praise, and this is what she said.....*

ALL: *(Chicken impressions to the verse melody)*

Tap, tap, tap  
Crack, crack, crack  
Tap, tap, tap  
Crack, crack, crack

**CHORUS:**

Let's celebrate...
