

*DON'T RUN OUT OF STEAM*

Don't run out of steam!  
Don't run out of steam!  
Don't run out of woo-hoo;  
Just keep going choo-choo.  
Never, never, never, never  
Run, run, run out of steam.  
Never, never, never, never  
Run, run, run out of steam.

So let God stoke up your fire,  
And make Him your one desire,  
And so then you'll never tire  
When you serve Him, let Him  
Stoke up your fire,  
And make Him your one desire,  
And so then you'll never tire  
When you serve Him, so then.....

Never, never, never, never  
Never, never, never, never  
Never, never, never, never  
Run out!  
Never, never, never, never  
Never, never, never, never  
Never, never, never, never  
Run out!
