

WHY WORRY (A.K.A. THE WORRY SONG)

D - A - G - A (Repeat)

VERSE 1

D A6 D
Why worry in the morning when you're lying in bed?
A A7/E A6 A
About your past, your future or when you will get fed?
Em A A7
Why let a little worry take control of your head?
D A A7
Isn't God much bigger than that?
D A6 D
Why worry about what clothes to wear, oh why make a fuss?
A A7/E A6 A
You'll only get them sweaty when you leave in a rush!
Em/G A A7
Then whizz back home in case you get run down by a bus!
D A D
Isn't God much bigger than that?

CHORUS

D7 G Em G
He made the Sun, all the stars in the whole universe,
D D/F# G D
And every plant and animal that lives on the Earth,
A Em A6 A7
And He feeds them, clothes them but are you not worth
D Em E7 A
So much more than all of these?
D7 G Em G
He calls you by name and He welcomes you in,
F#m F#7 Bm
Invites you as His weary child to rest in Him.
Em A6 Em
So you don't have to be, have to be, have to be
E7 A A7 D A G A
In a big hurry, hurry, hurry, why worry?
D A G A
So don't worry!

Why worry if you'll grow up to be big, tall and strong?
A **A7/E** **A6** **A**
Or people looking funny at you singing this song?
Em **A** **A7**
If you're out of breath or tone deaf or your timing's all wrong,
D **A** **A7**
When God loves you just the same.

Why worry if it always seems you're losing your friends?

You have a special friend in Jesus that will not end

If you've failed him for the very last time - yet again!

For He loves you anyway.

No need to look so downcast, no need to feel sad,
B **B7/F#** **B6** **B**
Lift up your head and talk to Jesus if you feel bad,
